Mission & Vision

Decorative geometric shapes on the left side of the slide, including a large blue hexagon, a smaller blue hexagon, and a white outline of a hexagon.

- The Missouri Association of County Developmental Disabilities Services (MACDDS) champions inclusive communities through the leadership, collaboration, and education of its member organizations.
- Our vision is for all people to lead full, meaningful lives as valued members of their communities.

Guiding Principles

Our mission, vision and values embody who our organization is and what we stand for. These foundational attributes are at the heart of MACDDS — defining our purpose, charting our direction for the future, and describing expectations for ethics and behavior.

The Missouri Association of County Developmental Disabilities Services (MACDDS) supports providing people with developmental disabilities with individualized, quality services in their community of choice.

MACDDS recognizes and promotes the individuality and autonomy of local county SB40 boards in the provision of supports based on the unique needs of their communities.

MACDDS Strategic Priorities

Member Engagement and Development

Provide diverse opportunities for MACDDS members and affiliates to gather, learn, inspire one another, and lead their organizations in meeting the needs of their communities

Advocacy and Stakeholder Education

Engage in activities that leverage and amplify MACDDS' collective voice regarding issues that impact people with intellectual and developmental disabilities (I/DD)

Relationship Development

Nurture relationships that expand our network, our knowledge, and our ability to innovate and impact change

Organizational Excellence

Establish an organizational framework that supports the initiatives of MACDDS, ensures operational efficiency and sustainability, and prioritizes continuous improvement

What is a “Senate Bill 40 (SB40)” Board?

Senate Bill 40 is enabling legislation (205.968 through 205.972 RSMo.) passed by the Missouri state legislature in 1969, that is designed to allow individual counties in Missouri to approve a tax levy to provide support to persons with intellectual and developmental disabilities in areas of residential, employment, and related services.

This tax levy is administered by a local county board that is commonly referred to as a Senate Bill 40 board, an SB40 board, a county board, or a developmental disability resource board.

Who is part of MACDDS?

- **65 SB40 Boards – Voting Members**

Membership in MACDDS, and all privileges thereof, shall be limited to and granted to any dues-paying County Board or a Board in a City not within a County. Member Boards shall be defined as those Boards formed under the statutory authority of RSMO. 205.968 - 205.972.

- **25 Related Private Organizations – Non-Voting**

Those not-for-profit agencies whose primary purpose is to advocate and/or provide and/or cause to create support services to individuals with developmental disabilities and their families. This does not include boards authorized under RSMO 205.968 – 205.972.

- **3 Special Purpose Entities – Non-Voting**

TCM Special Purpose Group provides for the benefit of participation in MACDDS TCM Special Purpose Group meetings for those agencies that do not meet criteria for County Board or RPO status and are providing TCM.

- **Affiliated Public Agencies – Non-Voting**

Those organizations which are governmental/quasi-governmental entities. This does not include boards/organizations authorized under RSMO 205.968-205.972 and those authorized under RSMO 178.900.

How do I get an SB40 board in my county?

1. Learn the county – demographic data, tax base, unmet needs.
2. Form a grassroots steering committee.
3. Select a sponsoring agency.
4. Develop a concept paper.
5. Seek county commission placement of proposition on ballot.
6. Prepare campaign budget.
7. Recruit volunteers to help with campaign.
